

The best accounting solutions for your firm.

Tabs3 Financials

Tabs3 Financials are specifically designed to meet the accounting needs of law firms. Our Trust Accounting, Accounts Payable, and General Ledger software work seamlessly with Tabs3 Billing, which means you spend less time on data entry and manual workarounds.

Reliable Software. Trusted Service.

Tabs3 billing, financial, and practice management software is an integrated suite of products using the same design and terminology. That makes it easy to use, and easy for back office staff to support their attorneys. Our consultants, located across the country, are ready to customize and set up your software, train your staff, and support your firm.

TRUST ACCOUNTING

Track and reconcile deposits and payments for an unlimited number of client trust accounts. See warnings when an account goes below a minimum balance and prevent negative balances.

Payments to your firm from a client's trust account are automatically entered into Tabs3 Billing. Trust balances also appear on work-in-process reports and on client statements in Tabs3 Billing.

Print checks from your clients' trust accounts. Use the Three-Way Reconciliation Report to ensure the accuracy of your trust balances.

TAKE CLIENT DEPOSITS VIA CREDIT CARD

Start accepting secure credit card payments with LawPay. Save money with low, negotiated processing fees for Tabs3 Billing and Trust Accounting users.

GENERAL LEDGER

Create Balance Sheet, Income Statement, Trial Balance, and Journal reports for you and your accountant. General Ledger software comes with a chart of accounts for law firms that you can use or modify to fit your current account structure. Reconcile bank statements, print financial statements, and ensure your accounts stay balanced.

ACCOUNTS PAYABLE

Stay on top of your cash flow by tracking cash requirements, invoice aging, and vendor accounts. Track invoices and keep a list of all vendors in one place. Save time and avoid having to re-enter payables on a regular basis by using recurring transactions.

Print a batch of checks or use the Quick Print feature to print a single check. See all of your checks in one easy-to-use check register. Export a list of approved checks and upload them to your financial institution's fraud prevention program, Positive Pay.
