Tabs3 Software

Tabs3

Tabs3 Software is an integrated suite of products designed for law firms. For over 40 years, we've helped legal professionals get bills out quickly, integrate their firm's accounting, and keep their practices organized. Our clients bill over $1 billion through Tabs3 each month across the United States.

Reliable Software. Trusted Service.

Tabs3 billing, financial, and practice management software uses the same design and terminology. That makes it easy to use, and easy for back office staff to support their attorneys. Clients are so satisfied that 9 out of 10 recommend Tabs3 to other firms, and our highly trained support team has a client satisfaction rating of over 96 percent.

Contact Resource Advisors to schedule a one-on-one walkthrough. Special pricing may be available.
